

# Pinal County Tech Prep Consortium

## Reading Workshop Series Contract

As an educator in Pinal County and part of the Pinal County Tech Prep Consortium would like to apply and sign up to be a participant in the Reading Workshop Series that will be held from August 2010 to November 2010.

I understand and agree with the following:

- I am aware of the absolute necessity for all Pinal County high school students to be able to pass the ASSET Reading Test at Central Arizona College.
- I am aware that if a student does not pass the ASSET test, they are not given the elective Tech Prep credit at Central Arizona College until they are able to pass the ASSET test or take Remedial Reading classes at Central Arizona College and pass those classes.
- The Tech Prep sponsored Reading Workshop Series will concentrate on strategies to build and integrate reading skills in Tech Prep Career Technical Education classes to improve reading vocabulary and comprehension skills for high school students.
- The Reading Workshop Series consists of four (4) workshops on Saturdays on the following dates:
  - August 21, 2010 @ Poston Butte High School, San Tan Valley AZ
  - September 18, 2010 @ CAVIT, Coolidge AZ
  - October 30, 2010 @ Vista Grande, Casa Grande AZ
  - November 13, 2010 @ Maricopa High School, Maricopa AZ
- The workshop timeline each Saturday is 9:30am – 1:30 pm (no exceptions)
- Reimbursement for attending all four workshops will be \$600, non-attendance at any of the dates or failure to stay for the full time results in forfeiture of the TOTAL stipend.

My signature signifies I have a total understanding of my obligation to receive the \$600 stipend the professional development I have received.
